

Volunteer Encouragement Levy

ADVANTAGE AIR

VOLUNTEER ENCOURAGEMENT LEVY

Why has this Levy been introduced

As we improve our facilities, coaching and services, the club needs to run more activities in order to cover our higher costs. This in turn means we need more volunteers to help out.

If everyone pitches in, it doesn't take much per person to get a big overall contribution. And this will take the pressure off the usual contributors who have contributed so much over many years.

A bit of volunteering by each of us is the right thing to do, and it helps us get to know each other better too.

To provide a little encouragement, we have introduced the refundable Volunteer Encouragement Levy. Once we've built a Blues culture in which a bit of volunteering is just what we all do, then this levy will be removed.

Who pays and how much?

Senior players	\$40	All senior players
Junior players	\$40	One payment per family with any junior players

The levy is compulsory, to be paid along with Registration Fees. However it is FULLY REFUNDED in the form of Blues Bucks once the member completes a modest amount of volunteer work. See over for more details.

Blues Bucks are legal tender for any purchases at the EFLC canteen and bar, and for the purchase of any EFLC merchandise.

How do I get my Volunteer Encouragement Levy refunded?

Your levy is refunded once you have completed any of the following during the 2018 season:

- active committee member for at least 3 months,
- appointed team manager, coach or referee for at least 3 games,
- timekeeper or bench official for at least 3 games (on a rostered basis),
- undertake a minimum of 5 hours per individual or 10 hours for families (over time) in bar, canteen, cleaning, busy bees (which includes Bunnings sausage sizzles) or ground set up activities (on a rostered basis).

Rostering is important so that we don't have 10 people in the canteen one week and no-one the following week.

A parent can do the volunteering for their junior child, but actually we would encourage juniors to contribute directly.

ADVANTAGE AIR

GETTING ON A ROSTER TO HELP OUT

Your volunteer activities must be approved by a current board member of the EFLC Board or any other key contact as shown below. The approving contact will then make sure your activities are recorded.

The following people are key contacts who will co-ordinate volunteer work. By ticking areas that interest you on the registration form we can contact you when volunteers are required in those areas.
